

### REMARKS

The Official Action dated 23 January 2004 has been carefully considered, along with cited references, applicable sections of the Patent Act, Patent Rules.

Claims 4-5 are objected to because of several informalities:

In claims 4 line 5, change "said light devices" to "said at least one light device" to match with claim 1 line 10 as suggested by the Examiner.

However, the Examiner has kindly indicated that claims 4-5 would be allowable if written or amended to overcome the rejection(s) under claim objects, set forth in this Office Action.

In addition, the Examiner has kindly indicated that claims 1-3, 6-9 are allowed.

In response, claim 4 has been amended according to the suggestions of the Examiner.

Claims 2-4, 6, 8-9 are dependent on claim 1. Claim 5 is dependent on the claim 4. Claim 7 is dependent on claim 6.

Accordingly, claims 1-9 would appear to be allowable, and early issuance of a Notice of Allowance is accordingly most respectfully solicited.

Courtesy and cooperation of Examiner PATEL are appreciated.  
respectfully submitted,

By: Ku Fa CHAI 3/18/2004
